Press Release

We are pleased to announce the promotion of William Spriggs to the position of Vice President of Operations at Tracer Electronics LLC.

William joined Tracer Electronics LLC in December of 2004 as a repair Technician. His commitment towards customer service, quality repairs and attention to customers needs has been instrumental in the growth experience at Tracer.

William will be responsible for the day to day operations at our home office in Lebanon, Tennessee. In addition to leading the service team, he will also work closely with our sales team to support their efforts.

Please join us in congratulating William on this well deserved promotion.

Regards,

Kenneth Smith
